ANNUAL
Alumni Meet
Tuesday 6th November 2018
(Deepavali Day)
Venue: College Auditorium

Dear Friends,

We have great pleasure in inviting you to the alumni meeting of our college scheduled on 6 November, 2018 at the College Auditorium. We had been through difficult times during the unexpected floods that played havoc in our state. Our college teachers and alumni had been at its best in providing all help and co-operation to the victims of the flood. May this wholehearted support and co-operation be a stepping stone to stride miles ahead. We acknowledge the guidance and co-operation we receive from our alumni in successfully fulfilling the goal projects we have undertaken. We are grateful to all our alumni chapters in different parts of the world for their active support to our activities. We wish and pray that your presence along with your classmates will make this year's annual get-together a big success.

With best regards,

Dr. Achamma Alex Adv. Aby Kuriakose

PROGRAMME

Dear Alumnus,
Greetings from Christian College Family!
Another Deepavali is fast approaching! We are extremely happy to invite all our former students to this year's Alumni Meet scheduled on Wednesday 18 October 2017. Deepavali should remind our alumni that they are inseparable from the Family Tree that has been extending its twigs and branches ever since 1964.

We need to get equipped to face the third phase of Re-Accreditation process and we need your support in all possible ways. We acknowledge the scholarships instituted by the Kuwait and UAE Chapters, "Snehakoodu" and History Batch of 1993 - '96; financial support from UAE Chapter for arranging Rain Water harvesting facility, and Kuwait alumni for constructing a house for one of our students as part of the "Home for Homeless" project; and the special gift from 1991 - '94, Chemistry Batch. The timely support rendered by Sri. V.T. John for completing the Second Floor of The Golden Jubilee Block and the endearing gift from our WhatsApp Alumni group for meeting the expenses of the Valedictory Function of the Golden Jubilee celebration have touched our hearts. Kindly keep all those who serve in this institution at present, in your daily prayers. We solicit again your prayer and presence for the successful conduct of the programme arranged on 18 October 2017.

With Warm regards
